DEPUTIES' MEETING

Friday, 12 February 1954

PRESENT: Mr. Dulles, General Cabell, Colonel White, Messrs. Kirkpatrick,
[redacted] Sheldon and [redacted]

Mr. Dulles:

a. Raised the question of CIA officers participating in Loyalty Boards of other agencies and after some discussion, wherein it was pointed out that only eight of our people had been designated to perform this duty, the Director stated that: (1) the number of CIA officers to serve on these Boards would be increased; (2) requests to perform such service would be directed to the AD/Personnel and not the individuals concerned, in order that this duty could be equally assigned.

b. Noted a cable [redacted] respecting arms for Indo-China, and stated he was inclined for certain reasons to make available [redacted] this type hardware [redacted] [redacted] undertook to again raise this upon receipt of a reply to the above-cited cable.

c. Briefly discussed the revision of NSC 10/2 and 10/5, and after being advised that this paper had been fully coordinated and concurred in by all interested components of CIA and the Departments of State and Defense, noted his intention of forwarding it to the Executive Secretary, NSC, for circulation by hand to the statutory members of the Council by voting slip for approval.

[redacted]

Mr. Kirkpatrick:

a. Received the Director's approval to invite Senator Carlson and Congressman Edward Rees to lunch on Tuesday, 23 February. [redacted]

b. Reported that Senators Bridges and Symington are going to Paris next week and asked if the Director wished to get in touch with them. DCI indicated that he did not.

[redacted]

a. Reported that the material gained from interrogations [redacted] would be furnished [redacted] by noon today. The Director asked for several additional copies, noting that in all probability he would send a copy to General Smith in addition to that furnished Mr. Armstrong.

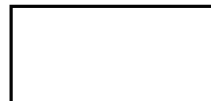

b. Stated that he had talked with Sam Papich respecting the CE studies

to be made available to the FBI, and noted his intention of "dressing up these reports". The Director approved and stated at the time he takes the Russian study to Mr. Hoover, he desires appended to the letter of transmittal a list of those studies furnished the Bureau. In this connection the Director said it might be well for him to transmit by letter in the future selected studies of this nature.
